September 26, 2016

To Our Neighboring Landowners,

You were previously notified that ITC Midwest LLC (ITC Midwest) scheduled an informational meeting at 10:00 a.m. on October 6, 2016, at the Redfield City Hall located at 808 First Street in Redfield, Iowa, to discuss a new 69,000V transmission line that ITC Midwest is proposing to build in Dallas County, Iowa.

You received the prior notice because the property in which you have an interest lies within the notification corridor and may be affected by the construction of the proposed transmission line.

This meeting has been cancelled and will be rescheduled at a later date. The west end point of the proposed route was modified such that additional landowners will need to be notified of the informational meeting. You will be receiving a new notice once the date and time has been set.

We apologize for any inconvenience this may cause. Please contact Jacob Shipp at (319) 297-6816 or [jshipp@itctransco.com](mailto:jshipp@itctransco.com) if you have any questions concerning this notice.

Sincerely,

*Tim Tessier*
